☐ I've been using a drug that was on the plan's list of covered drugs before but has been or will be removed during the plan year (formulary exception).
☐ I'm asking for an exception to the requirement that I try another drug before I get a prescribed drug (formulary exception).
☐ I'm asking for an exception to the plan's limit on the number of pills (quantity limit) I can get so that I can get the number of pills prescribed to me (formulary exception).
☐ I'm asking for an exception to the plan's prior authorization rules that must be met before I get a prescribed drug (formulary exception).
☐ My drug plan charges a higher copayment for a prescribed drug than it charges for another drug that treats my condition, and I want to pay the lower copayment (tiering exception).
☐ I've been using a drug that was on a lower copayment tier before but has or will be moved to a higher copayment tier (tiering exception).
Additional information we should consider (attach any supporting documents):

If you or your prescriber believe that waiting 72 hours for a standard decision could seriously harm your life, health, or ability to regain maximum function, you can ask for an expedited (fast) decision. If your prescriber indicates that waiting 72 hours could seriously harm your health, we'll automatically give you a decision within 24 hours. If you don't get your prescriber's support for an expedited request, we'll decide if your case requires a fast decision. (You can't ask for an expedited decision if you're asking us to pay you back for a drug you already received.)
